

CV

Studied extractive metallurgy at Montanuniversität Leoben

1995 Ph.D. on Niobium electrolysis

2004 Habilitation in Corrosion at Montanuniversität Leoben

170 papers, 150 presentations at scientific conferences

Supervision of 70+ Ph.D. thesis, 60+ Master thesis in the field of Corrosion

Research interests: Hydrogen Embrittlement, SCC, Electrochemistry, Failure Analysis
